This permit becomes null and void if work or construction authorized is not commenced within 180 days, or if construction or work is suspended or abandoned for a period of 180 days at any time after work is commenced. I hereby certify that I have read and examined this application and know the same to be true and correct. All provisions of laws and ordinances governing this type of work will be complied with whether specified herein or not. The granting of a permit does not presume to give authority to violate or cancel the provisions of any other state or local law regulating construction or the performance of construction and that I make this statement under penalty of perjury. By signing this document, you acknowledge that the ultimate compliance with building code and zoning code is your responsibility. Any mistakes or omissions by city staff does not waive your obligation to comply with all building, fire, safety, and zoning codes.				Lot Setbacks in Feet
